

How to access your ANZ bank statement online (PDF format)

Last updated: 10 February 2016

How do I get old account statements?

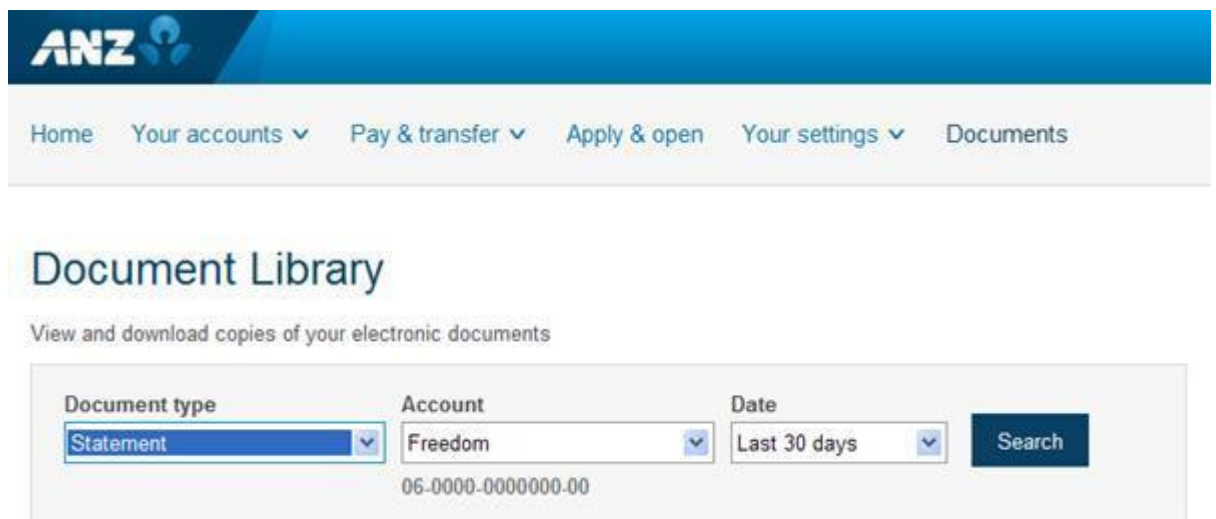

You can get previous monthly account statements for **open accounts** in ANZ Internet Banking, ANZ goMoney or by coming into any ANZ branch.

If you require statements for **closed accounts**, these can only be accessed by contacting us.

Note: Providing the closed account number will make it easier to find the requested statements.

ANZ Internet Banking

1. Log into ANZ Internet Banking
2. In ANZ Internet Banking, navigate to **Documents**

3. In the Document Library, filter statements using the drop down menus and click **Search**
4. View/download required statements from the search results

ANZ goMoney

1. Log into ANZ goMoney on your smartphone
2. Navigate to **Services > Your Documents**
3. View/download required statements
