

How to access your BNZ bank statement online (PDF format)

Last updated: 22 June 2016

Login into online banking

You can find, print and save online statements using Internet Banking. To find a statement:

1. From the main screen, click on 'Menu' at the top left of the page.
2. Select 'Documents' and click 'Statements'.
3. Choose the account for the statement you want to see. Your latest statement will appear automatically, along with a list of older statements.
4. To print, right click anywhere on the statement and select 'Print'. You can also save your statement from here.

Apple Mac users without Adobe Reader can right-click, select 'Open with Preview', and print the page using 'CMD+P'.

5. To close your statement and return to Internet Banking, click on the grey X in the top right-hand corner of the statement screen.
